

BAR CODE SPACE

## **SB** PLANT INVIGORATOR

Controls a wide range of important pest species that includes Whitefly, Aphid, Spider Mite and Mealybug. Due to the physical mode of action these pests will not become resistant to SBPI if correctly applied.

- ✓ Pests will not become resistant
- ✓ Helps prevent chlorosis and improves leaf colour and vigour
- ✓ Plant wash for a cleaner, shiny appearance
- ✓ Excellent shelf life

**DIRECTIONS:** SHAKE BOTTLE WELL BEFORE USE.  
Add required amount to water and stir well. Only apply diluted. Do not exceed the appropriate application rates. Apply using a fine sprayer. To maximise effectiveness ensure product is applied thoroughly to upper and lower leaf surfaces on a weekly basis. Reseal container after use. Protect from frost. Store out of direct sunlight above 0c and below 30c.

**For best results repeat spray weekly.**

**DILUTION RATES:**

1 litre concentrate to 500 litres of water.  
2ml concentrate to 1 litre of water

**NOTE:**

- Do not mix with any other product – mix only with water.
- Ensure spraying equipment is washed out before use.
- Do not spray open blooms as some staining of petals may occur.
- Some varieties may be susceptible to scorch, especially in hot conditions (advisable to spray small trial area first).

**PRECAUTIONS:** Keep concentrate off skin and away from eyes. If splashed in eyes wash in clean water. If hands or bare skin in contact with concentrate for prolonged period, wash in soapy water. Keep concentrate out of reach of children, animals and wildlife. Keep concentrate away from foodstuffs and aquatic life.

**CONTENTS:** Foliar Lattice, Linear Sulphanate, 0.37% w/w Iron Chelate (Fe), 9.57% w/w Nitrogen (N), natural products.

**500 Litres! WHEN DILUTED**

## **SB** PLANT INVIGORATOR

**The Environmentally Friendly Growth Stimulant and Pesticide**

*Controls a wide range of important pest species including Whitefly, Aphid, Spider Mite and Mealybug*

**For use on all edible and ornamental crops**

- ✓ Biodegradable
- ✓ Non toxic
- ✓ Suitable for use throughout the year
- ✓ No harvest interval
- ✓ Plant stimulant foliar feed for strong healthy growth
- ✓ Controls plant pests including Whitefly, Aphid, Spider Mite and Mealybug
- ✓ Physical mode of action
- ✓ Can control mildew

**1 Litre**

**SAFE FOR CHILDREN & PETS AFTER APPLICATION**
